

The Pursuit of Excellence has its rewards.

**Adarsh Developers wins the CREDAI Award for Real Estate 2013  
for Best Villas and Row Houses in Bangalore.**

It takes vision and dedication to consistently deliver projects that are becoming landmarks in the realty landscape of Bangalore.

12 years ago we created Palm Meadows, India's first gated community project.

Worldwide acclaim and awards followed, new benchmarks were set.

12 years later, the accolades continue and **Adarsh Palm Retreat** wins the CREDAI CARE Award for Best Villas and Row Houses.

While we are humbled by the appreciation, we are inspired to reach greater heights.

*Thank you for recognizing excellence.*
